MÂCON-IGÉ

Discover this new jewel of the Domaine Fichet with the 1969 vintage from a vineyard planted the same year in Gamay grape on a hillside exposed East.

1969

This rare vintage from the 2019 vintage to 800 bottles will charm your senses. We made a parcelled selection on the place called "Les Platières" on this vine of more than 50 years for the quality of its grapes collected very ripe, macerated 15 days and vinified in oak cask 100% with 30% of new casks for 14 months. This wine of guard, worthy of a great Burgundy, will accompany perfectly your dishes, the red meats, the beautiful platters of cheeses.
